C&I ELECTRONICS RECYCLING

Capability Statement

candielectronics.com

For more than 30 years, C&I Electronics has been a trusted leader in full-service data destruction and electronics recycling for government agencies, private businesses, and the general public. Our processes are built to ensure that all customer data is completely and securely destroyed prior to recycling. Each year, independent third-party audits verify our rigorous data-destruction procedures and responsible recycling practices, confirming our commitment to the highest standards of data security and environmental stewardship.

Core Competencies

- **Recycling Services**:
  - Onsite packing and collection
  - Electronics and e-waste recycling and remarketing
  - Universal waste recycling
  - Medical equipment recycling
- **Data Destruction**:
  - Onsite or offiste hard drive shredding
  - Electronic data sanitization
  - Document and optical media destruction

Differentiators

C&I takes data security very seriously. We maintain the "gold standard" of secure data destruction certifications (NAID-AAA) and have the ability to track customer assets from the moment of collection to final disposition.

Experience

Vanderburgh Co. Solid Waste District – Annually
Staff and manage biannual county wide e-waste recycling events for VCSWD. Project value, $50,000.
