

# Capability Statement

## Core Competencies

C&I Electronics is an R2v3, women-owned small business providing environmentally responsible, full-service electronics recycling, ITAD services, reverse logistics and data destruction to businesses, communities, and government organizations.

- **Experience:** With nearly 30 years of industry experience, we are a recognized leader in electronic waste management.
- **Security:** Our data destruction methods guarantee the complete eradication of sensitive information.
- **Compliance:** We comply with all data privacy and environmental regulations.
- **Sustainability:** We are committed to protecting the environment through responsible recycling practices.
- **Customer Service:** We prioritize client satisfaction by offering flexible and customized solutions to meet specific requirements.
